## Education

<b>Bachelor's in Software Engineering</b> Mehran University of Engineering and Technology	Oct 2019 - Oct 2023
<b>HSSC PART I and II</b> Aga Khan University Examination Board	Sep 2017 - Aug 2019
<b>SSC PART I and II</b> Aga Khan University Examination Board	Aug 2015 - Aug 2017

## Personal Profile Statement

A Software Engineering student with a strong love for all things tech-related! Skilled in Java, HTML/CSS, JavaScript and more! Impressive ability to adapt and learn quickly. Passionate about problem-solving and critical thinking with a desire to pursue a career in Web Development. I adapt to my surroundings very easily and love to face new challenges head on. After spending an entirety of 5 semesters in the classroom (and an approximation of 30 courses!), I feel like I have a fair share of knowledge and potential to actually go out there and get practical for once. Currently looking for Front-End Developer roles with new challenges and opportunities.

Graduating in October 2023.
